FLOWERS OF REMARKABLE SIZE AND HUE,  
SUCH AS EDEN NEVER KNEW.—R. H. BARHAM

# Select Hybrid Tea or Ever Blooming Roses

Under this heading we are offering only those varieties which have proved themselves by trial to be of the type most suitable for our rather trying climatic condition. Early in the season we are able to offer these plants with dormant roots, later it is necessary that they be handled only in pots, grow-

ing. Some rose lovers prefer one form or the other, and authorities as yet are unagreed on which form is the better. All, however, admit that for planting after the growing season starts, only potted plants should be used. Full cultural directions will be furnished with all our roses.

**AUTUMN**—A tall grower that produces fine brilliant scarlet buds on long stems. The flowers open in rich golden-yellow and crimson flowers. Each.....\$ .75

## MEXICAN IMPORTS

The flare of 1935, both for indoors and out, is for color. Ideally suited to the tempo of the times is the pulsing colorfulness of things Mexican. With this in mind we have collected a number of things suitable for the Recreation

Room, the Sun-room, the Breakfast Room, and elsewhere. A partial list follows. We invite your visit, and will welcome a "browsing" customer.

**TARASCAN Gourds** in fantastic shapes.

**URUAPAN Bateas**, Gourd Bowls and Tecomates.

**OLINALA Bateas**, Gourd Bowls, **Boxes** of all sizes, **Chests**.

**GUADALAJARA Glass** in complete selection, glasses, plates, bowls, etc.

**TEXCOCO Serapes** in many sizes and colors.

**SAN LUIS POTOSI Mats or Rugs**.

**PUEBLA AND OAXACA Textiles** that include curtains; luncheon, dinner, and bridge sets; cocktail napkins; towels; and others.

"Other items too numerous to mention."

NOW TO GARDENER, ALL AGOG, COMES THE SEED MAN'S CATALOG.—CHAPPELL AND HUNT

# Summer Flowering Bulbs

**AMARYLLIS**—Giant Hybrids. A remarkable selection for pot-growing or for the border. Potted Plants.....\$1.25

**CANNAS**—We believe the most satisfactory way of getting these plants is to buy potted plants about the 1st of May. These will come into bloom a month before those started from bulbs, and are little more expensive.

King Humbert, (Red with bronze foliage), Mrs. A. Conrad, (Salmon with green foliage), The President, (Scarlet with green foliage), and Yellow King Humbert, (Yellow with green foliage). Any of the above.....Each .25; Doz. \$2.50

## Dahlias

The following list of dahlias has been prepared for us by a local authority. These he says are the cream of the old and new in the different types, the ones that can be depended upon to give the maximum amount of bloom. Many that are equally lovely in cooler climates he has eliminated as they produce inferior results in this locality.
